

New Format for Dec 6th Day of Remembrance & Action on Violence Against Women....

This year has marked many apparent changes to the way we are permitted to support our community, but supporting our community has never been more critical. We must never forget about the most vulnerable in our midst, and our ability to come alongside them, especially in today's conditions.

With that in mind, we will be offering a new format for our **December 6, Day of Remembrance and Action on Violence Against Women** annual event. On Sunday, December 6th at 6 pm, we will be providing a Zoom presentation, that will aid in fundraising for the Bow Valley Women's Emergency Shelter and the Awo Taan Healing Lodge Emergency Shelter.

Your support for these two agencies is vital. Without having a ticket price, and a silent auction, which is how the funds were raised in the past, we are counting on our labour partners to step up and give generously in support, and raise more than other years. You can send directly to one or both of the agencies yourself, or you can send to us (CDLC, #321, 3132-26 St. NE Calgary, AB T1Y 6Z1) and we will be pleased to forward your donation to them on your behalf.

We hope you will participate both in the Dec.6th zoom presentation, and in financially supporting these valuable agencies. If you have any questions please send to admin@thecdcl.ca.
